REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: 1.

The present application relates to a cargo-handling vehicle such as a forklift truck. which can turn a body thereof. According to the claimed invention, there is provided a mode switching section for switching modes of operation between a normal running mode and a turning mode in which the body of the vehicle is turnable, wherein the turning mode adapts the body to be turned about a center of turn specifically identified to be at or within a predetermined distance from one or more of the distal ends of the fork arms attached to a front end of the vehicle body. The aforementioned limitations and arrangement thereof are not taught in the prior art. In light of the foregoing, the claims of the present application are found to be patentable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
